Paracord (army surplus reel of 1000', 550lb, vtarmynavy.com)

Bungee Balls /Tarp tie downs(to hold tool rest in place)

18" x 3/8" carriage bolt (hot bend for the crank for headstock, fastenersuperstore.com)

5" x 3/8" carriage bolt.

PLANS

Pole Lathe. Mike Abbot's book Living Wood has the best flexible pole lathe, Pole Lathe 2000.

Shave Horse. Drew Langsner's Book Country wood has one of the best designs for german style shavehorse. Also, John Alexander's website has a small shave horse, and Mike Abbott's Living wood book has a nice design.
